For Curious Minds

Path? There is none. Real hackers make their own. They have to.

1 RTFM

Read the fucking manual.

2 Hacker Ethics

1. Don't be evil.
2. Don't be stupid.

3 Discussion

What is there to say? It's a crazy world out there. Try not to get lost. Try to hold on to what it means to be human. Believe in your heart that other people are real, and that we all deserve better. In the end, show a little love.

Goodluck, friend.
